INDEX

RUNFLOOR

High-strength plastic grass paver for permeable drivable areas.

GEOFLOR

Plastic ground paver for installation above existing lawns.

GEOGRASS

Grass reinforcement paving grids.

SALVAVERDE

Cellular grass paver for walkable and drivable green areas.

GEOGRAVEL

Gravel stabilizer grid for driveways and car parks.

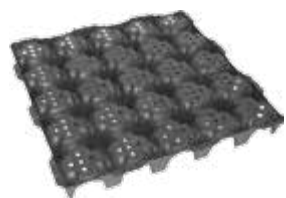

GEOROAD

Plastic ground paver for reinforcement of road verges.

P. 40

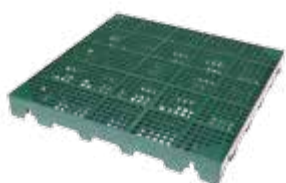

DRAINROOF

High-performance green roof drainage board.

WALL-Y

Modular element for green walls.

PLASTONELLA

Modular self-install plastic paver for outdoors.

TUBS AND VASES

Heavy duty pots, tubs and rainwater harvesting tanks for nurseries.
